## The 6-1-6 Challenge

**Building needs** — developing the downstairs; handicap access to the upstairs; additional parking

**Lives Changed** — pray that this year we will see new people coming to faith in Christ and getting baptized. Pray for healing of sicknesses, restoration of marriages, freedom over addictions.

**Current Ministries** — pray for lasting impact through the existing ministries (men, women, outreach events, prayer)

**Future Ministries** — pray that God will provide wisdom and leadership for future ministries (youth, young adult, small groups, grief ministries, worship team)

**Leaders** — pray for protection and wisdom for our leaders (pastor, elders, treasurer, ministry leaders)

**Finances** — pray for God's provision for our financial needs (full time pastor, building development expenses, ongoing ministry costs)
